

Summer Camp Themes

June 5 – 8 - Delve into the Earth

Summer Camp will be kicking off the summer with Earth Week! Campers will enjoy crafts and activities centered around nature and sustainability, a hike, and games like endangered animal charades.

June 12 – 16 Funky Foods

It's an adventure with food! Campers will tempt their taste buds with new varieties of food (like the durian fruit), make crafts using food, and play fruity games.

June 19 – 23 Mad Scientists

As "mad scientists", we will make "potions", perform science experiments, and play some crazy games! Campers will observe nature as scientists do on a hike around campus and may even get to see a real scientist in action!

June 26 – 30 Journey to Outer Space

Journey with us into undiscovered realms! Campers will be making spaceships, playing out-of-this-world games, and celebrating the first moon landing!

July 3 – 7 Cool Creatures

Lion, and tigers, and bears, oh my! This week campers will study various types of "cool creatures". Campers will play games like Sharks and Minnows, make crafts, and create their own animal masks. To add to the fun, we've arranged for a visit from some furry and feathered friends this week. Come dressed as your favorite animal for dress up Friday!

July 10 – 14 Campers to the Rescue

Safety and the community heroes that keep us safe will be the focus of this week. Campers will learn about the important work of firefighters, police officers, EMTs, and lifeguards. There just may be a special visit from our local firefighters with their specialized trucks! Campers will also play games like Water Bucket Relay! For dress up Friday, come dressed as your favorite rescuer!

July 17 – 21 Around the World

Grab your passport as we travel around the world in one week! Campers will be learning about cultures and food from around the world, making flags, and learning new words in various languages! All countries of the world have beautiful flags, pick your favorite and wear those colors for dress up Friday!

July 24 – 28 Farewell to Summer

The last week of summer camp will be a time for us to say farewell to summer and hello fall. Campers will be preparing the gardens for fall planting, taking our last hike before summer camp ends (noting any differences from our first hike at the beginning of summer camp) and finish the week with a campfire. Campers will conclude the week by roasting marshmallows, singing campfire songs, and listening to campfire stories.
